2018 PMC Cuba Tour and Caribbean Cruise

Dear PMC Members,

Expression of Interest

The area of the Caribbean and combining now with Cuba is certainly a highly sort after destination . PMC, thru Club Travel, is planning to include this tour to its travel events for 2018.

Tourism is really booming in Cuba since USA and Cuba have improved the relations earlier this year. As Cuba slowly becomes connected to the rest of the world ,tourists are flocking there to experience that old world charm and culture that makes it really unique.

It makes perfect sense to also include a cruise into this tour as well as so many PMC members really enjoy this lay way of relaxing of travelling. There are plenty of cruises departing from Miami (Southern USA) for 7-14 days.

Already as number of members have expressed interest in joining this PMC travel event. If this tour interests you please email to tour director Sharyn Bojczenko so planning can commence.

Please don't hesitate to contact Sharyn if you have any questions or requests about this tour.
