

2018 PMC New York and Eastern Canada

Dear PMC Members,

Expression of Interest

This east side of North America is truly fascinating. The "Big Apple" (New York City) always has a wonderful appeal for travellers to visit this city. Perhaps experience:

- a concert in Central Park
- a little shopping in Sachs or Tiffany's.
- Travel to Niagara Falls and witness quite an amazing sight of the Falls.
- Then travel north to Ottawa, Montreal and beautiful old Quebec City.

All these tours in 2018 become modules that follow on from each other so members can choose to do what they prefer.

Module One Caribbean Cruise and Cuba
 Module Two New York and Eastern Canada
 Module Three Alaskan Cruise
